

Make Plans to Stay Home

Aging in Place is the ability to live comfortably in one's home-familiar place of your choosing-while remaining independent and confident.

This 45 minute presentation conducted by the Atlanta Chapter of Aging in Place will help empower seniors to make choices about self, home and community. The presentation will provide a forum for learning about key successful components of aging in place to help address current and future needs.

The Person:

Finances
Activities of daily living
Preventative Healthcare
Medical Care
Spirituality
Self-Worth
Recreation

The Place

Your Home of Choice
Home Modification
Community Environment

The Support Network

Community Involvement
Continuing Education
Transportation
Family/Friends/Community

The National Aging in Place Council (NAIPC) is a non-profit community of professionals providing resources and services that champion seniors wishing to live independent and productive lives at home and in their community
